CALL FOR PAPERS

All authors are invited to apply for papers relevant to specified fields that can be found under "Sections" menu button. Paper acceptance procedure is divided in following three steps:

1. Step: Participants Registration

Registration for the conference will be performed by sending the e-mail with registration form to martin.bajcicak@stuba.sk together with abstract. Registration forms can be downloaded from the "Registration" section of official page.

2. Step: Abstract Submission

Papers should be up to date and based on original work of the authors. Abstracts will be submitted via [conference system](#) which will forward the abstract to responsible reviewer who will consider the suitability of the paper. Please make a registration in this system so we can identify your abstract and paper (co-authors are registered by the author and they do not need to register by themselves). Abstract of 200 to 300 words should provide clear information on paper content.

Poster Section

In order to ensure the fluency of the conference, organising committee can propose some articles for poster section in case of having too many papers in particular sections. In case that author would like to apply for publishing the poster, they should clearly provide this information in abstract submission phase.

3. Step: Paper Acceptance

After positive reply from section chair, authors will be asked to send complete paper in given deadline and paper will be registered for the conference. All papers should be written according to the [Manuscript template](#). Paper should contain information on current state of the paper subject, experimental, main results, outcome of the study and references.
